

An Ordinance Regulating Home Occupation Businesses Within Nibley City

A. Definition

1. A home occupation is defined as “The use of a portion of a dwelling as an office, studio, or workroom for occupations which are conducted in the home and are incidental to the primary use as a home or residence; provided additionally that:
 - a. individuals who perform occupation related activities at the home occupation residence must also live at that residence
 - b. individuals who do not live at the home occupation residence must not report to that residence for occupation-related activities
2. Accessory buildings may be used to conduct all or a portion of the home occupation, so long as the use is contained within the accessory building.
3. Applications meeting these criteria may (as determined by the appropriate land use authority) be classified a home occupation rather than being classified by the actual activity associated with the business, exceptions as outlined in this ordinance.

B. Home Occupation License Required.

1. No person may conduct a business within a residence, the lot upon which it sits or within any of its accessory structures except as a home occupation in compliance with this Chapter. Except as specifically provided by Nibley City Ordinance, it shall be unlawful for any person to engage in or conduct a Home Occupation without having first procured a Home Occupation license from Nibley City, sometimes hereinafter to be called a "license". The license shall be renewed each year.
2. Persons who fail to renew their license for each calendar year and pay any associated fees, shall be deemed to no longer have a valid home occupation license and shall make a new application to the Nibley City Planning Commission for review and approval of a home occupation license, and shall be subject to all federal, state and local laws in effect at the time the new application is made.

C. Planning Commission Approval Required

1. Subject to the provisions of this ordinance, the Nibley City Planning Commission shall review and approve, deny, or approve with conditions, all applications for a home occupation, except for those uses which meet the definition of “Home Office”, as defined in Title 10 of the Nibley City Code. Uses meeting that definition may be reviewed and approved by City staff.
2. City staff may refer to the Planning Commission applications which meet the definition of “Home Office” if, in the determination of staff, there are circumstances which require the Planning Commission’s review and approval.

D. Purpose. The purposes of this section are to:

1. Provide an opportunity for home occupations as an accessory use when they are compatible with the neighborhoods in which they are located. A home occupation shall not be construed to mean an employee working in his home in the service of an employer whose principal place of business is licensed at another location.
 2. Provide an opportunity for a home occupation to engage in the business of child care and other group child activities and encourage this type of home occupation to draw clients/customers from their immediate neighborhood.
 3. Guide business activities which are not compatible with neighborhoods to appropriate commercial zones.
 4. Safeguard peace, quiet, and domestic tranquility within all residential neighborhoods. Protect residents from the adverse effects of business uses being conducted in residential areas from noise, nuisance, traffic, fire hazards and other possible business uses that create significant impacts on a neighborhood.
- E. **Neighborhood Disturbance.** The home occupation shall not interfere or disrupt the peace and quiet of the neighborhood, and is subject to Nibley City ordinances regarding nuisances and noise disturbances. The home occupation shall not create or be associated with or produce odor, smoke, dust, heat, fumes, light, glare, noises or vibrations, excessive traffic, or any other adverse effects within the neighborhood.
- F. **Renter/Owner Responsibility.** If the applicant for a home occupation license rents or leases the property wherein the home occupation is intended to be conducted, the applicant must provide a letter of acknowledgment and consent from the property owner at the time the application is submitted to the Business License Office.
- G. **Interior Alterations/Remodeling.** Alterations of the principal dwelling for the purpose of accommodating the home occupation are prohibited if such alteration eliminates the kitchen, and/or all of the dining areas, bathrooms, living areas, or all of the bedrooms. A building permit shall be obtained for remodeling.
- H. **Restrictions.** The following restrictions shall apply to any home occupation:
1. All home occupations are required to obtain and maintain a current city business license and meet all requirements of this code.
 2. All home occupations shall comply with federal, state and local laws and ordinances.
 3. Home occupations shall not involve the unauthorized use of hazardous or annoying substances or processes nor shall they create any hazardous or offensive odors, noises, fumes, gases, dust, radiation, glare, electrical interference, vibrations, heat, wastes, pathogens or any other harmful substances or effects.
 4. Home occupations shall be conducted entirely within the dwelling unit and may not occupy, with goods, materials, equipment or activities, any attached garage or lot area. Training activities such as swimming, tennis and horseback riding or daycare or preschool activities may be conducted outdoors; provided, that no nuisance is created.
 5. All vehicles and other equipment requiring parking accommodations, or which may not be reasonably stores in a business related vehicle, shall be parked out of the right-of-

way and out of the setback areas on the property where the home occupation is conducted, with the exception of a car or light-duty truck which is used as part of the business.

6. Home occupations shall not cause excessive demands on city services.
7. Employees of home occupations shall consist only of members of the family residing in the dwelling or other individuals whose activities are conducted away from the residence.
8. The exteriors of dwellings may not be altered from a residential character as a result of or to enhance a home occupation.
9. Home occupations involving pedestrian or vehicle traffic shall be conducted only between the hours of seven o'clock (7:00) A.M. and seven o'clock (7:00) P.M.
10. More than one home occupation may be conducted in a dwelling; provided, that these regulations are followed as though there were only one occupation in the dwelling.
