Nibley, Utah — December 2010

CROSSING GUARD OPENING

Nibley City is recruiting one crossing guard each at Nibley and Heritage Elementary schools. Crossing guards help students on their way to and from school during the morning, mid-day and afternoon. Pay is \$8.28 per hour. Applications may be submitted at the Nibley City Offices.

DOG LICENSING

The 2011 dog licensing form is included in the mailing of the utility bill this month. Citizens who license their dogs during November and December will be good for all of 2011. The deadline for licensing dogs for 2011 is still February 28. After that time, there will be a \$10.00 late fee for each dog.

Dear Nibley Citizens:

From the Mayor

As the year winds down, we are finishing one big project and starting another in Nibley City. The concrete lid of the 2,000,000-gallon water tank will be poured by the end of November. The tank will be finished by the end of December. This project represents a \$1,500,000 upgrade to our drinking water delivery system and was done without new taxes from our residents. Building the new City Hall next year will be as important and involved. The final bid for this project will be determined by December 15, 2010. The total cost of the project is estimated to be \$1,350,000. This project will be built without new taxes from our residents. Construction of the building will start in March and be finished by November next year. A copy of the plans can be viewed at City Hall. We have had some well-attended public hearings lately. I appreciate the enthusiasm and respectful comments.

The City Council adopted an ordinance establishing a Tree Board in Nibley City and approved my recommendations for members of this board positioning Nibley City to become a Tree City USA. Our desire in becoming a Tree City USA is to further beautify and enhance the quality of life in Nibley City.

My next step in enhancing our quality of life is to form a City Beautification Committee. This committee will be tasked with educating and assisting the Nibley residents to beautify their neighborhoods. The committee will recommend community design and beautification programs as well as planning annual neighborhood competitions. If you are interested in serving on this committee, please email me at gkktrudy@msn.com. This will be a fun committee dedicated to improving the beautiful atmosphere of our community. Nibley is a wonderful place to live thanks to its residents and their dedicated service. I appreciate the ideas, comments, and efforts to improve our corner of the world. When we build a positive environment for our children to grow up in, we make the world a better place to live.

I wish to thank Macey's, Lee's, and Smith's Food King for their generous donations for a service project by the Cache Mayors' Association. These donations exceeded our expectations.

Mayor Gerald Knight

RECENT CITY COUNCIL ACTIONS: ● Gave concept approval for a conservation subdivision at 1200 West, 2600 South, including 78 lots and 6.45 acres of open space ● Decided to require home owners that have not yet hooked up to the sewer to do so within the next twelve months ● Approved a site for a community garden sponsored in part by Nibley City at the Morgan Farm on 800 West ● Gave final approval to Phase I (17 lots) of Mountain View Villas (a subdivision for person over 55 years of age) at 2670 South, 100 West ● Decided to issue bonds for the construction of a new City Hall

Remember to check/change batteries in your smoke alarms. Batteries should be replaced annually.

City Hall will be closed on Friday, December 24 and Friday, December 31 for the respective holidays.

SANTA CLAUS IS COMING TO NIBLEY TOWN!

Nibley City is hosting a Holiday Open House at Little Wonders Pre-School, 3223 South Main, Nibley on **Saturday, December 11th** from 1:00-3:00 p.m.

All Nibley City children and their families are invited!

Santa Claus and his elves (the Nibley City Royalty and Youth Council) will be serving up hot chocolate and cookies and hosting a cupcake walk. Children can whisper wishes into Santa's ear and play on the Little Wonders indoor playground. We appreciate the kindness and good service that Mike and Vickie Arambel provide to the City of Nibley with their state of the art pre-school. Come join us in celebrating this holiday tradition.

YOUTH BASEBALL COORDINATOR

Nibley City is looking for a volunteer Youth Baseball Coordinator to help organize and run our baseball programs. Duties include working with local baseball leagues, working with the City Office to organize baseball registration and field scheduling, organizing teams, and recruiting and working with coaches. We would like to fill

this position by January 1, 2011. If you are interested in this opportunity and in helping support our community and youth in this way, please contact Casey Judd (787-8395 or casey.judd@usu.edu). Also, a big "THANKS" to Phil Takis for volunteering in this position for the past several years and for the great job he has done with this program.

HYRUM LIONS CLUB PROVIDES TURKEY DINNERS

The Hyrum Lions club provides Thanksgiving "baskets" to people in Hyrum. Actually, they are boxes containing a turkey, potatoes, and all the fixings for a nice dinner. Since some Hyrum Lions are from Nibley, boxes are also given to ten families in Nibley. These families are selected by ecclesiastical leaders in Hyrum and Nibley. *Thank you Hyrum/Nibley Lions!*

SNOW REMOVAL REMINDERS

- Snow must be cleared off of the sidewalks after storms.
- Snow *may not* be pushed into the streets or the public right-of-way from driveways, etc.
- Cars cannot be parked on the streets overnight.

The City will be aggressively enforcing these ordinances.

CACHE COUNTY SUB FOR SANTA

Cache County Sub for Santa is seeking those that would like to sponsor a child/children for the 2011 Christmas season. If you are interested in helping provide Christmas for those in need, contact the Sub for Santa office

at 752-6315. Their office hours are 9 a.m. to 5 p.m., Monday-Friday. Gifts need to be taken to the drop-off site by December 10th in order to distribute them accordingly. If you feel like you cannot sponsor a child or family directly, cash donations are also appreciated. Send donations to: Cache County Sub for Santa, P.O. Box 4603, Logan, UT 84323.

HOLIDAY PET CARE BONES

Although the holidays bring many fun festivities, they can also potentially and unexpectedly bring harm to our furry friends. Beware of the following hazards. A little precaution and prevention will make the holidays a happy time for everyone.

Some of the more common hazards to pets include:

Bones: The holiday turkey leaves behind a lot of tantalizing bones. Do not feed them to your pet. Small bones and chips can lodge in their throat, stomach, and intestinal tract.

Foods: Keep holiday treats/candies out of your pet's reach. Some can make them very sick. Potentially harmful foods

From the Cache County Sheriff's Office Animal Control

include: coffee grounds, chocolate, tea, salt, onions, grapes, raisins, avocados, garlic, alcohol, and macadamia nuts.

Holiday Plants: Holly and mistletoe are extremely poisonous when eaten. The poinsettia's milky white sap and leaves can cause severe gastric distress to your pets.

Stress and Company: With everyone coming and going, watch for open doors and sneaky pets. Make sure pets have updated collars and tags (two forms of identification) in case of escape. Micro chipping your pet will also help if your pet escapes. Provide a quiet place for your pets to retreat to when the festivities get too stressful.
