Scheduling Practice

Pre-Season (before we start the games end of Aug): please use any Nibley City Park (except Meadowview or any Elementary Schools) all practices are on a first come first serve basis. If someone is already in a given space, please work with the other coach onsite to establish a space for your practice.

Goals and marked Fields: we hope to get goals out today or tomorrow and nets on them early next week. We will be marking soccer lines for fields next week.

During the Season:

Once games start, field space on a marked field with goals is very important since we may already have something scheduled on a given field. Please work with Ali to schedule your regular season practices. She will send instructions by e-mail on how to do that.

Team Equipment Check out:

PreK-1st & 2nd Grade Leagues: Team bags will be available to check out at the Coach Clinic on Aug 24th

3rd -8th Grade Leagues: Most were checked out at the City Hall Coach meeting if you missed it we will have it at Heritage Park on Aug 24th to check out

Jerseys

WAIT FOR A TEXT. We are working on this and will notify you when they are available and where to pick them up. They will most likely be available at the coach clinic on Aug 24th or Nibley City Hall.

Game Schedules

Working on it! Its more work than you would think especially with a little overlap with Flag Football.

Still, we hope to have them out by the end of next week. **For now plan on a game based on the days your league plays based on our rough outline** (Found Here:

We will get the team and game time specifics out as soon as possible.
