Grade Cutoff Date:

We make it simple, what grade is your child in during the youth sport season? Summer programs youth are considered in the league for the grade they just completed. (For example 4th graders for the 23-24 school year will be in 4th grade league Spring and Summer '24 then be in 5th grade league Fall '24). We are willing to evaluate individual player developmental considerations as appropriate and offer inclusive accommodations as appropriate for special needs and circumstances.
