

Civil

1. Plan detail 3/C501 conflicts with Nibley City Design Standard Details (NCDS) pp 187-188 plan 541. Should we plan for cast iron sewer laterals (per plans) or plastic (per NCDS)? **Use plan 431 for sewer laterals. PVC is preferred material.**
2. Confirm that contractor should build to NCDS if no plan detail? Which has precedence plans vs NCDS? **Typically plans preside. If no detail provided build to Nibley City Standards.**
3. Is there a design or preferred method to accomplish feeding 4" and 2" meters from the 6" waterline as proposed in "Waterline Connection Detail" pg C201 or is this subject to field design with city approval? **Complete work per detail on plan. Contractor responsible for all parts and appurtenances to complete work.**
4. Are design earthwork quantities available for reference in bidding? IE: "Apples to Apples" bid evaluation. **See Question 15 in Q/A from Bid Addendum 1.**
5. Parking lot does not drain properly as designed, will plans be updated pre-bid or post bid? Bid as designed? **Updated parking lot grading will be provided as Bid Addendum 2 prior to January 24th.**

Signs

6. The plans state "posts shall be stained as approved by city". Please clarify what stain and color is being referenced. **Color selection will be made by City after Contractor is selected through submittal process.**
7. Regarding posts, does powder coating work instead of stain? **Assuming this question is asking about detail 2/LS504. See answer to next question.**
8. Regarding posts, will a 2x2 Telspar 10' post work for the signposts? **Yes, 2x2 Telespar posts will work for the 12"x18" signs.**

Electrical

9. Is this page from Lehi City Family Park supposed to be in the electrical drawings for the Nibley Park? **Deleted as noted in Q/A of Bid Addendum 1.**
10. Is the Musco Lighting by others like noted on the Light fixture schedule(EL601) and not to be included in our quote? **No Musco lighting should be included in the Contractor's scope.**
11. Does the electrical contractor need to provide the underground PVC conduit and wiring for the Musco Lighting? **Contractor needs to provide conduit for future Musco Lighting, but not wires.**
12. Is Contractor going to provide all the excavation, concrete work and surface restoration on this project? **Yes, Contractor is to provide all excavation, concrete work and surface restoration on the project.**
13. Will the engineer please clearly identify on the site map where the boundaries are for the "Future Phase" work? And what is not included in this proposal! **See sheets LS100 and LS101 for delineation of construction limit line and bid alternate identification.**

14. Is the Electrical contractor responsible for the installation of the PVC, J-boxes, underground conduit for the AV system/Speakers? **Yes, Contractor shall install conduit, J-boxes, etc. for future AV system/speakers.**
15. Who is to furnish and install the components for the AV work (Wire, Speakers, Amplifiers, Commissioning)? **These are not part of Phase 1.**
16. Is RMP going to provide MV cables, installation and terms for the medium voltage work? **Yes.**
17. Is RMP going to provide the Utility transformer noted on the "one line" diagram? **Yes.**
18. Does the electrical contractor need to provide a pad/vault for the new "Utility transformer"? If so what size? **Yes, Contractor shall provide the pad per detail C1/ES501.**

Additional Updates:

- See Ordering Information attached from CXT for proposed restroom(s). This supersedes any contradictory information provided in Bid Addendum 1 regarding the CXT restrooms. Please contact Kurt Mee from CXT with any further questions – 303-552-1843.
- To further clarify, the Playground Equipment as shown on Sheet LS403 will be purchased and installed by City and is not part of the Contractor's scope. Purchasing and installing the engineered wood fiber for this playground and for the bouldering area is also not part of the Contractor's scope. However, the Contractor is responsible for surrounding concrete, including ADA access ramps into the playground/climbing boulder areas, and the 6" Washed Gravel Drainage layer (including filter fabric).

CXT® Precast Concrete Products manufactures restroom, shower and concession buildings in multiple designs, textures and colors. The roof and walls are fabricated with high strength precast concrete to meet all local building codes and textured to match local architectural details. All CXT buildings are designed to meet A.D.A. and to withstand heavy snow, high wind and category E seismic loads. All concrete construction also makes the buildings easy to maintain and withstand the rigors of vandalism. The buildings are prefabricated and delivered complete and ready-to-use, including plumbing and electrical where applicable. With thousands of satisfied customers nationwide, CXT is the leader in prefabricated concrete restrooms.

4. WARRANTY PROVISIONS: CXT provides a one (1) year warranty. The warranty is valid only when concrete is used within the specified loadings. Furthermore, said warranty includes only the related material necessary for the construction and fabrication of said concrete components. All other non-concrete components will carry a one (1) year warranty. CXT warrants that all goods sold pursuant hereto will, when delivered, conform to specifications set forth above. Goods shall be deemed accepted and meeting specifications unless notice identifying the nature of any non-conformity is provided to CXT in writing within the specified warranty. CXT, at its option, will repair or replace the goods or issue credit for the customer provided CXT is first given the opportunity to inspect such goods. It is specifically understood that CXT's obligation hereunder is for credit, repair or replacement only, F.O.B. CXT's manufacturing plants, and does not include shipping, handling, installation or other incidental or consequential costs unless otherwise agreed to in writing by CXT.

This warranty shall not apply to:

1. Any goods which have been repaired or altered without CXT's express written consent, in such a way as in the reasonable judgment of CXT, to adversely affect the stability or reliability thereof;

2. To any goods which have been subject to misuse, negligence, acts of God or accidents; or

3. To any goods which have not been installed to manufacturer's specifications and guidelines, improperly maintained, or used outside of the specifications for which such goods were designed.

5. TERMS AND CONDITIONS OF INSTALLATION (IF APPLICABLE): All prices subject to the "Conditions of Sale" listed on the CXT quotation form.

Customers are responsible for marking exact location building is to be set; providing clear and level site, free of overhead and/or underground obstructions; and providing site accessible to normal highway trucks and sufficient area for the crane to install and other equipment to perform the contract requirements. Site must allow for the crane to be within three feet of the building location and the truck to be within three feet of the crane. Customer shall provide notice in writing of low bridges, roadway width or grade, unimproved roads or any other possible obstacles to access. CXT reserves the right to charge the customer for additional costs incurred for

special equipment required to perform delivery and installation. Customers will negotiate installation on a project-by-project basis, which shall be priced as separate line items. For more information regarding installation and truck turning radius guidelines please see our website at <http://www.cxtinc.com>.

In the event delivery of the building/s ordered is/are not completed within 30 days of the agreed to schedule through no fault of CXT, an invoice for the full contract value (excluding shipping and installation costs) will be submitted for payment. Delivery and installation charges will be invoiced at the time of delivery and installation.

Should the delivery and installation costs increase due to changes in the delivery period, this increase will be added to the price originally quoted, and will be subject to the contract payment terms.

In the event that the delivery is delayed more than 90 days after the agreed to schedule and through no fault of CXT, then in addition to the remedies above, a storage fee of 1-1/2% of contract price per month or any part of any month will be charged.

****Customer is responsible for all local permits and fees.**

6. DELIVERY CHARGE: All prices F.O.B. origin prepaid and added to invoice. CXT operates three (3) manufacturing plants in the United States and will deliver from the closest location on our carriers.

7. PAYMENT TERMS: All orders are cash in advance. At CXT's discretion, credit may be given after approval of credit application. Payment to CXT by the purchaser of any approved credit amount is net 30 days after submission of invoice to purchaser. Interest at a rate equal to the lower of (i) the highest rate permitted by law; or (ii) 1.5% per month will be charged monthly on all unpaid invoices beginning with the 35th day (includes five (5) day grace period) from the date of the invoice. Under no circumstance can retention be taken. If CXT initiates legal proceeding to collect any unpaid amount, purchaser shall be liable for all of CXT's costs, expenses and attorneys' fees and costs of any appeal.

8. LIMITATION OF REMEDIES: In the event of any breach of any obligations hereunder; breach of any warranty regarding the goods, or any negligent act or omission of any party, the parties agree to submit all claims to binding arbitration. Any settlement reached shall include all reasonable costs including attorney fees. In no event shall CXT be subject to or liable for any incidental or consequential damages. Without limitation on the foregoing, in no event shall CXT be liable for damages in excess of the purchase price of the goods herein offered.

9. DELIVERY INFORMATION: All prices F.O.B. origin prepaid and added to invoice. CXT operates three (3) manufacturing plants in the United States and will deliver from the closest location on our carriers. Use the information below to determine the origin:

- F.O.B. 6701 E. Flamingo Avenue, Building 300, Nampa, ID 83687 applies to: AK, CA, HI, ID, MT, ND, NV, OR, SD, UT, WA, WY.

- F.O.B. 901 North Highway 77, Hillsboro, TX 76645 applies to AR, AZ, CO, IA, KS, LA, MN, MO, MS, NE, NM, OK, TX.

- F.O.B. 362 Waverly Road, Williamstown, WV 26183 applies to AL, CT, DE, FL, GA, IL, IN, KY, MA, MD, ME, MI, NC, NH, NJ, NY, OH, PA, PR, RI, SC, TN, VA, VT, WI, WV.

- Prices exclude all federal/state/local taxes. Tax will be charged where applicable if customer is unable to provide proof of exemption.

CORTEZ – 10’ 3” X 17’

Cortez with chase has two single user fully accessible flush restrooms. Standard features include simulated barnwood textured walls, simulated cedar shake textured roof, vitreous china fixtures, interior and exterior lights, off loaded, and set up at site.
