

Description for Junior Royalty

The Junior Royalty Division will include the Little Princess Group (1st-2nd Graders) and the Princess Group (3rd-5th Graders). The juniors will meet weekly for fun, inclusive and worthwhile workshops. These workshops are designed to foster an environment for the girls to make friends, build confidence and participate in small service opportunities. These workshops will also help them prepare for the Junior Royalty Pageant in May.

At the pageant, all girls will receive a crown, a sash and equal recognition for their performance. The Junior Royalty Division will participate in the Nibley Heritage Days Parade.
