

## Description for Senior Royalty

The Senior Royalty Division will include Sweetheart (6th-7th Graders), Jr. Miss (8th-9th Graders) and Miss (10th-11th Graders). The seniors will meet weekly for inclusive and educational workshops. These workshops are designed to foster growth and personal development for each girl. Workshops will prepare the girls for the pageant and encourage additional skills to support a well balanced life. The Senior Royalty pageant will be an unbiased judged event. The winners of the Miss Nibley division will receive a scholarship. Winners and all participants will be required to stay involved with the Royalty program past the pageant. This includes participating in a number of parades and volunteering at multiple community events.
