HOW THIS SEASON WILL RUN: This fall season we will only be playing in Nibley! Every game will be a little different. Each game the players will be split up evenly with equal boys and girls on each team (or as equal as possible with players present). The referee will decide how the teams are split. Each game will be 4 v 4, numbers permitting.

Games/Scrimmages & Officiating:

This is a RECREATION level soccer league. Our objective is to offer an affordable developmental soccer experience where participants can learn the basics, in a non-competitive environment. Games are officiated in a way that referees and coaches help teach players throughout the scheduled time frame. Thank you for supporting the referees, coaches, and players with positive cheering, while creating a fun learning environment for the participants.

Most Current Schedule & Game Field Diagrams will be posted @ www.NibleyCity.com

Weather Related Game Cancellations:

Plan on a game unless otherwise notified by your coach no matter what the forecast may be. In the event that significant rain/snow creates field conditions that are unsafe, or if play would significantly damage the field as determined by the Nibley Parks Superintendent we will cancel the game by 4 pm the day of the game. You will be notified by: Text or phone call from the coach and/or Nibley City

Games will be rescheduled when the league cancels the games due to weather/field condition at the discretion of the league coordinators. If lightning occurs within 6 miles of the field, please follow the lightning guidelines posted online @ www.NibleyCity.com under the rules for the league
